

## Simple Lifestyle

The Carriage Hill Vision is a community that provides several generations a great place to live and Cypress Village is the next stage of growth in achieving this vision. Carriage Hill is opening its 5th single family neighborhood supporting homes for the growing family to the family that has reached the top.

Cypress Village, part of the master plan of Carriage Hill is a neighborhood designed with unique features specific to the desires and needs of empty nester's and active professionals.

Set among the beautiful Carriage Hill park, Cypress Village is the perfect place to enjoy your privacy, spend time with friends and family and walk away when vacation calls.

Ready to Make Your Life a Lot Easier, While Staying Connected to an Active Upscale Neighborhood?
