

————— *by Justin Doyle Homes* —————

A hand-drawn architectural sketch of a two-story house. The main body of the house is red brick. On the left, there's a small porch with a white pediment and a green door. To the right of the porch is a large, multi-paned window. Above this window is a smaller arched window. The roof is dark grey with a central gable. In the center of the roof, there's a dormer with a large arched window and two smaller windows on either side. On the right side of the house, there's a tall, red brick chimney with a small arched window near the top. The house is surrounded by green trees and shrubs. The sky is light blue with some white clouds. The overall style is a loose, artistic sketch.
