

————— *by Justin Doyle Homes* —————

A hand-drawn architectural sketch of a single-story house. The house has a gabled roof with a small dormer window. The exterior is rendered in a light gray stone texture. On the left side, there is a large window with blue shutters and a small circular window above it. In the center, there is a prominent arched entrance with a wooden door and a small decorative element above the arch. To the right of the entrance, there is another window with blue shutters. The house is surrounded by greenery, including trees and bushes. The sky is light blue with some white clouds. The overall style is a soft, painterly sketch.
